

UNFAIR TAXATION

IRRESPONSIBLE REAL ESTATE TAXES

Take a look at the New York State Real Estate Tax comparisons below. Why are you, as a home owner in Syracuse, paying nearly twice as much in Real Estate Taxes as someone owning a home of equal value in Downstate New York? It's no secret that unfair Real Estate Taxes are destroying our Upstate economy.

CHANGE BEGINS WITH YOU—TURN YOUR ANGER INTO ACTION!

Now you can join with Responsible New York to bring this issue to the forefront of New York government.

1. Go online to www.ResponsibleNewYork.com and register your support for the "TAX REFORM NOW" petition.
2. Call or write your elected officials.
3. Voice your feelings when you pay your tax bill.
4. Vote only for candidates who have taken the "TAX REFORM NOW" pledge.
5. Enlist your friends and neighbors in this cause.

NEW YORK STATE REAL ESTATE TAX COMPARISON

Location	100,000 Market Value	200,000 Market Value	500,000 Market Value

My fellow New Yorkers,

What would Upstate New York look like if every family had been able to save just 10 years of these unfair taxes? Take action today.
